Neighbourhood Watch is about building safe, strong, and friendly communities. We are a charity made up of over 2.3m households across England and Wales.

Together, we support our neighbourhoods, prevent crime, and build a sense of community in the places we call home.

Welcome to the Neighbourhood Watch

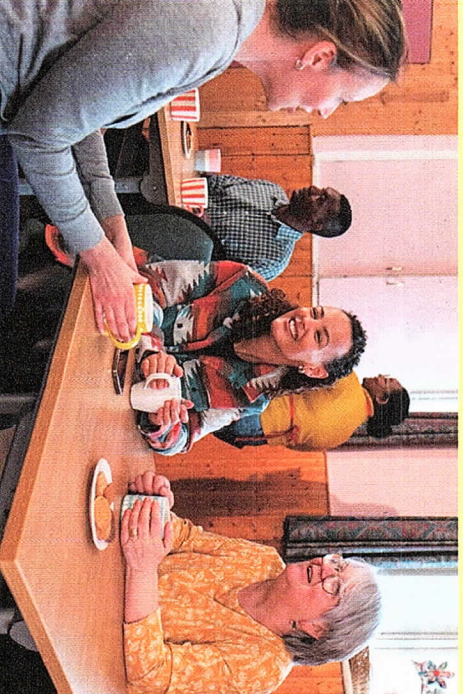

Our values

We're neighbourly, community focused, inclusive, proactive, trusted, and collaborative.

Whether you live in a busy city centre, a rural village, or anywhere in between, Neighbourhood Watch is for everyone.

Stronger communities are safer communities.

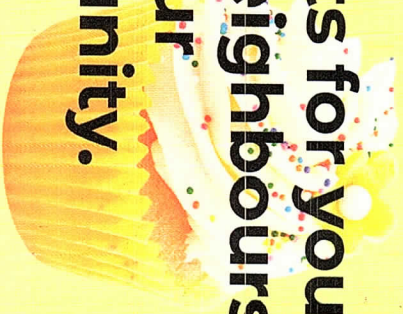

Get involved

- Join a local scheme or start your own.
- Get free training and support.
- Host community-building events.
- Become a cyberhood watch ambassador, and combat online crime.
- Tackle retail and street crime through our community safety programmes.

Membership is free.

Benefits for you, your neighbours, and your community.

Connect with people in your street

Share events, updates and information for a stronger, safer, and more inclusive community.

Community support

Our membership benefits include free crime prevention training, public liability insurance for your community events, community grants, and discounts on home security products.

Feel safer

Our members report feeling safer in their homes, and in their neighbourhoods.
